Project Proposal: AICS Application Pre-Screening with Automated Document Verification and Distribution Notification System for the Provincial Social Welfare and Development Office

Instructions: Please indicate your response to each question by checking [✓] 'Yes' or 'No' in the provided space on the right.

Name: _____ **Position:** _____

QUESTIONS	YES	NO
1. Does the PSWDO currently use manual records, printed documents, or Microsoft Excel in processing AICS applications?		
2. Is retrieving applicant information from existing records sometimes difficult or time-consuming?		
3. Do incomplete or missing documentary requirements cause delays in processing AICS applications?		
4. Has the office encountered duplicate applications or repeated applicant records during AICS processing?		
5. Is identifying inconsistent, unclear, altered, or potentially tampered documents challenging during document verification?		
6. Does the office currently follow specific criteria or procedures for prioritizing urgent AICS applications?		
7. Is monitoring the current status of AICS applications throughout the processing stages sometimes difficult?		
8. Do delays occur when informing applicants about missing requirements, application updates, or assistance distribution schedules?		
9. Is preparing summaries or reports on AICS applications and assistance distribution sometimes time-consuming?		
10. Would a centralized web-based system help improve the overall processing and management of AICS applications?
